Subject: 10589381

In application 10589381, please perform a sequence search for a polypeptide consisting of SEQ ID NO: 1, a polypeptide consisting essentially of amino acids 3-260 of SEQ ID NO: 1, and a polypeptide consisting essentially of 3-264 of SEQ ID NO: 2. Please provide a paper copy of the sequence search reports with the first 30 hits.

Please include an inventors' name search for Annaliesa S. Anderson and Donna L. Montgomery.

Thanks.
